

Helix Outdoor — Returns & Refunds Policy

Version 2.1 · Effective March 15, 2026

Owner: Camille Rousseau (Head of Customer Care) · Approved by: Bruno Castelli (Finance), Priya Iyer (Legal)

1. Standard Return Window (Physical Products)

Helix Outdoor accepts returns of unused physical product within **30 days** of the delivery date for a full refund to the original payment method. Lightly-used product within the same window may be exchanged or refunded as 75% store credit at the discretion of the Customer Care team.

Returns must be initiated through our self-service portal at helixoutdoor.com/returns. The system auto-generates a prepaid USPS or DHL label depending on origin country.

2. Subscription Products (digital, including the Trail Box)

Subscription cancellations within the first **7 days** of purchase qualify for a full refund. After 7 days the subscription is non-refundable but can be cancelled to prevent future renewals.

Note (April 2026 update, see legal addendum): EU customers have a 14-day statutory withdrawal right that overrides the above. See section 4.2 of this document and Priya Iyer's legal note dated April 30, 2026.

3. Refund Authority

Important: The authority limits in this section are superseded by Bruno Castelli's memo of April 28, 2026. The new limits take effect May 1, 2026 and reduce CX-Lead authority from \$2,000 to \$1,000. Please refer to that memo for the current limits.

(Historical record, kept for audit completeness:) Prior to May 1, 2026: CX Specialist up to \$300 without approval; CX Lead up to \$2,000; Camille up to \$10,000; Bruno up to \$50,000.

4. Special Cases

4.1 Defective Product

Confirmed manufacturing defects (failed seams, broken hardware, defective zippers etc.) qualify for full refund regardless of return window, plus a 20% goodwill discount code on the next purchase. Document the defect with a photograph and log a Lot Number in Gorgias.

4.2 EU Customers — Digital Products

Per EU Directive 2011/83/EU, EU customers (identified by Stripe billing country) have a 14-day automatic right of withdrawal on digital products. This **overrides** the 7-day rule in section 2 for EU customers only.

4.3 Custom & Embroidered Orders

Custom and embroidered orders are non-returnable except in the case of confirmed manufacturing defect.

4.4 Wholesale Accounts (Camp Cosmos, TrekRight, etc.)

Wholesale accounts return per the terms in their Master Distribution Agreement. Default: 60 days from shipment date for unused product, no restocking fee on first return per quarter. Escalations route to Cara Bennett (CX-B2B Lead).

5. Logging

All returns must be logged in Gorgias with the original order ID in the ticket title and the SKU and lot number in the body. Refunds executed via Stripe Dashboard: Customers → [Customer ID] → Payments → Refund. Always send the CX-RETURN-CONFIRM template to the customer after processing.

6. Crypto and Non-Standard Payment Refunds

Helix Outdoor does not currently accept cryptocurrency. If a refund request is received for a payment made via a non-standard rail (gift cards from a wholesale partner, store credit from a retired SKU, etc.), escalate to Bruno Castelli and Priya Iyer before processing.

Changelog

v2.1 — March 15, 2026: Updated wholesale account language; reduced custom-order exemption window. v2.0 — November 1, 2025: Migration from manual finance-team review to self-service portal. v1.0 — Pre-2025: All refunds processed manually via finance@helixoutdoor.com.
